Good Things Come from Common Ground

ACH Seeds, Inc. 877-224-7333

TRUSTED PERFORMANCE. TRUSTED VALUE.™

Only Eminent® VP provides superior systemic and vapor action disease control of cercospora and powdery mildew, in both pre- and early post-infection applications. Eminent® VP also protects new and emerging plant growth not present at application and is the perfect tank-mix partner in resistance management programs.

AMERICA'S SUGAR PRODUCERS BY THE NUMBERS

U.S. SUGAR PRODUCTION
142,000 Number of American sugar jobs in jeopardy of being outsourced without no-cost sugar policy
\$20 billion Annual economic activity generated by American sugar production
22 Number of states that produce sugar
2.1 million Acres of sugarbeets and sugarcane planted in America in 2012-13
60% About half of America's sugar comes from cane, the other half from beets
100 Percent of beet processing factories that are farmer-owned

U.S. SUGAR POLICY AND TRADE
50 When U.S. sugar policy cost American taxpayers in the 2002 and 2008 farm bills
4 to 0 Every one of the four sugar policy votes taken during the 112th Congress rejected attempts by Big Candy lobbyists to weaken no-cost sugar policy
120,000 Number of EU jobs lost since Europe weakened its sugar policy and became more dependent on foreign suppliers
50 Percentage of global sugar exports controlled by Brazil
60 Percentage of Americans who'd rather buy homegrown sugar than imports, even if foreign sugar were cheaper
41 Number of foreign countries from which America imports sugar
