TRIED AND TRUE
— for you? —

Email a photo of the things you depend on most to **TriedAndTrue@SugarProducer.com**, along with a few sentences telling us about it and your name and location. There's a chance it could be featured in a future ad, right next to other things growers depend on season after season—Syngenta sugarbeet seed, seed care, and crop protection products.

Photos must be received by the 20th of each month to be considered. By submitting the photo, you are representing that you own all rights to it and grant Syngenta and *Sugar Producer* unrestricted rights to use the photo in any medium.
